Petrified Sophomores

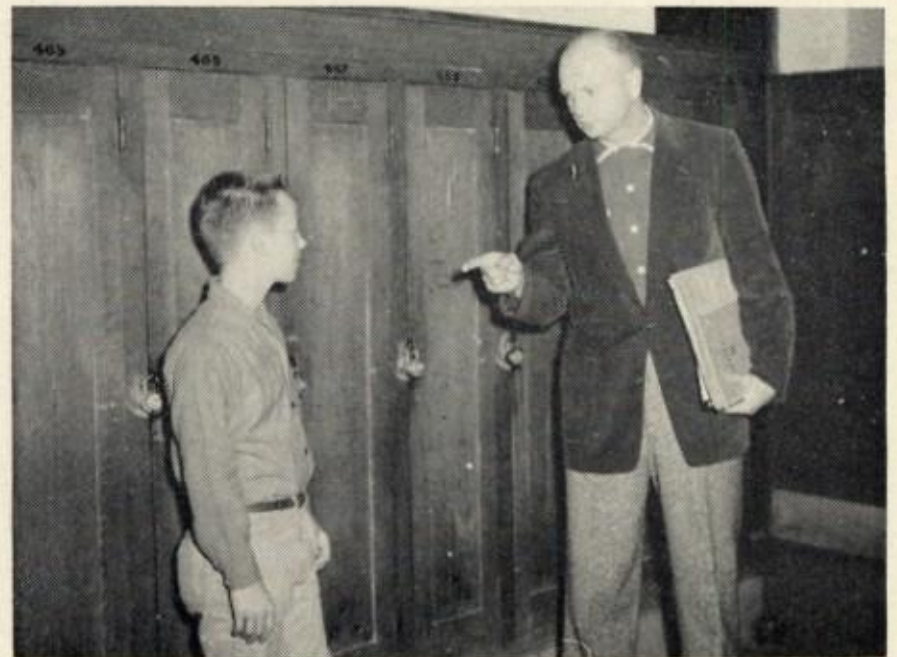

As a sophomore, did East look this spooky to you?

LAW
RECE

The large halls made you feel small and unimportant

At first the teachers scared you a little bit too

Jumpy Juniors

East seems a little more friendly to the juniors

Don't the juniors' locker doors fascinate you?

They **are** a little "jumpy," aren't they?

Dauntless Seniors

To the seniors, East seems to be getting smaller and smaller

Our brave senior boys guarding East's trophies

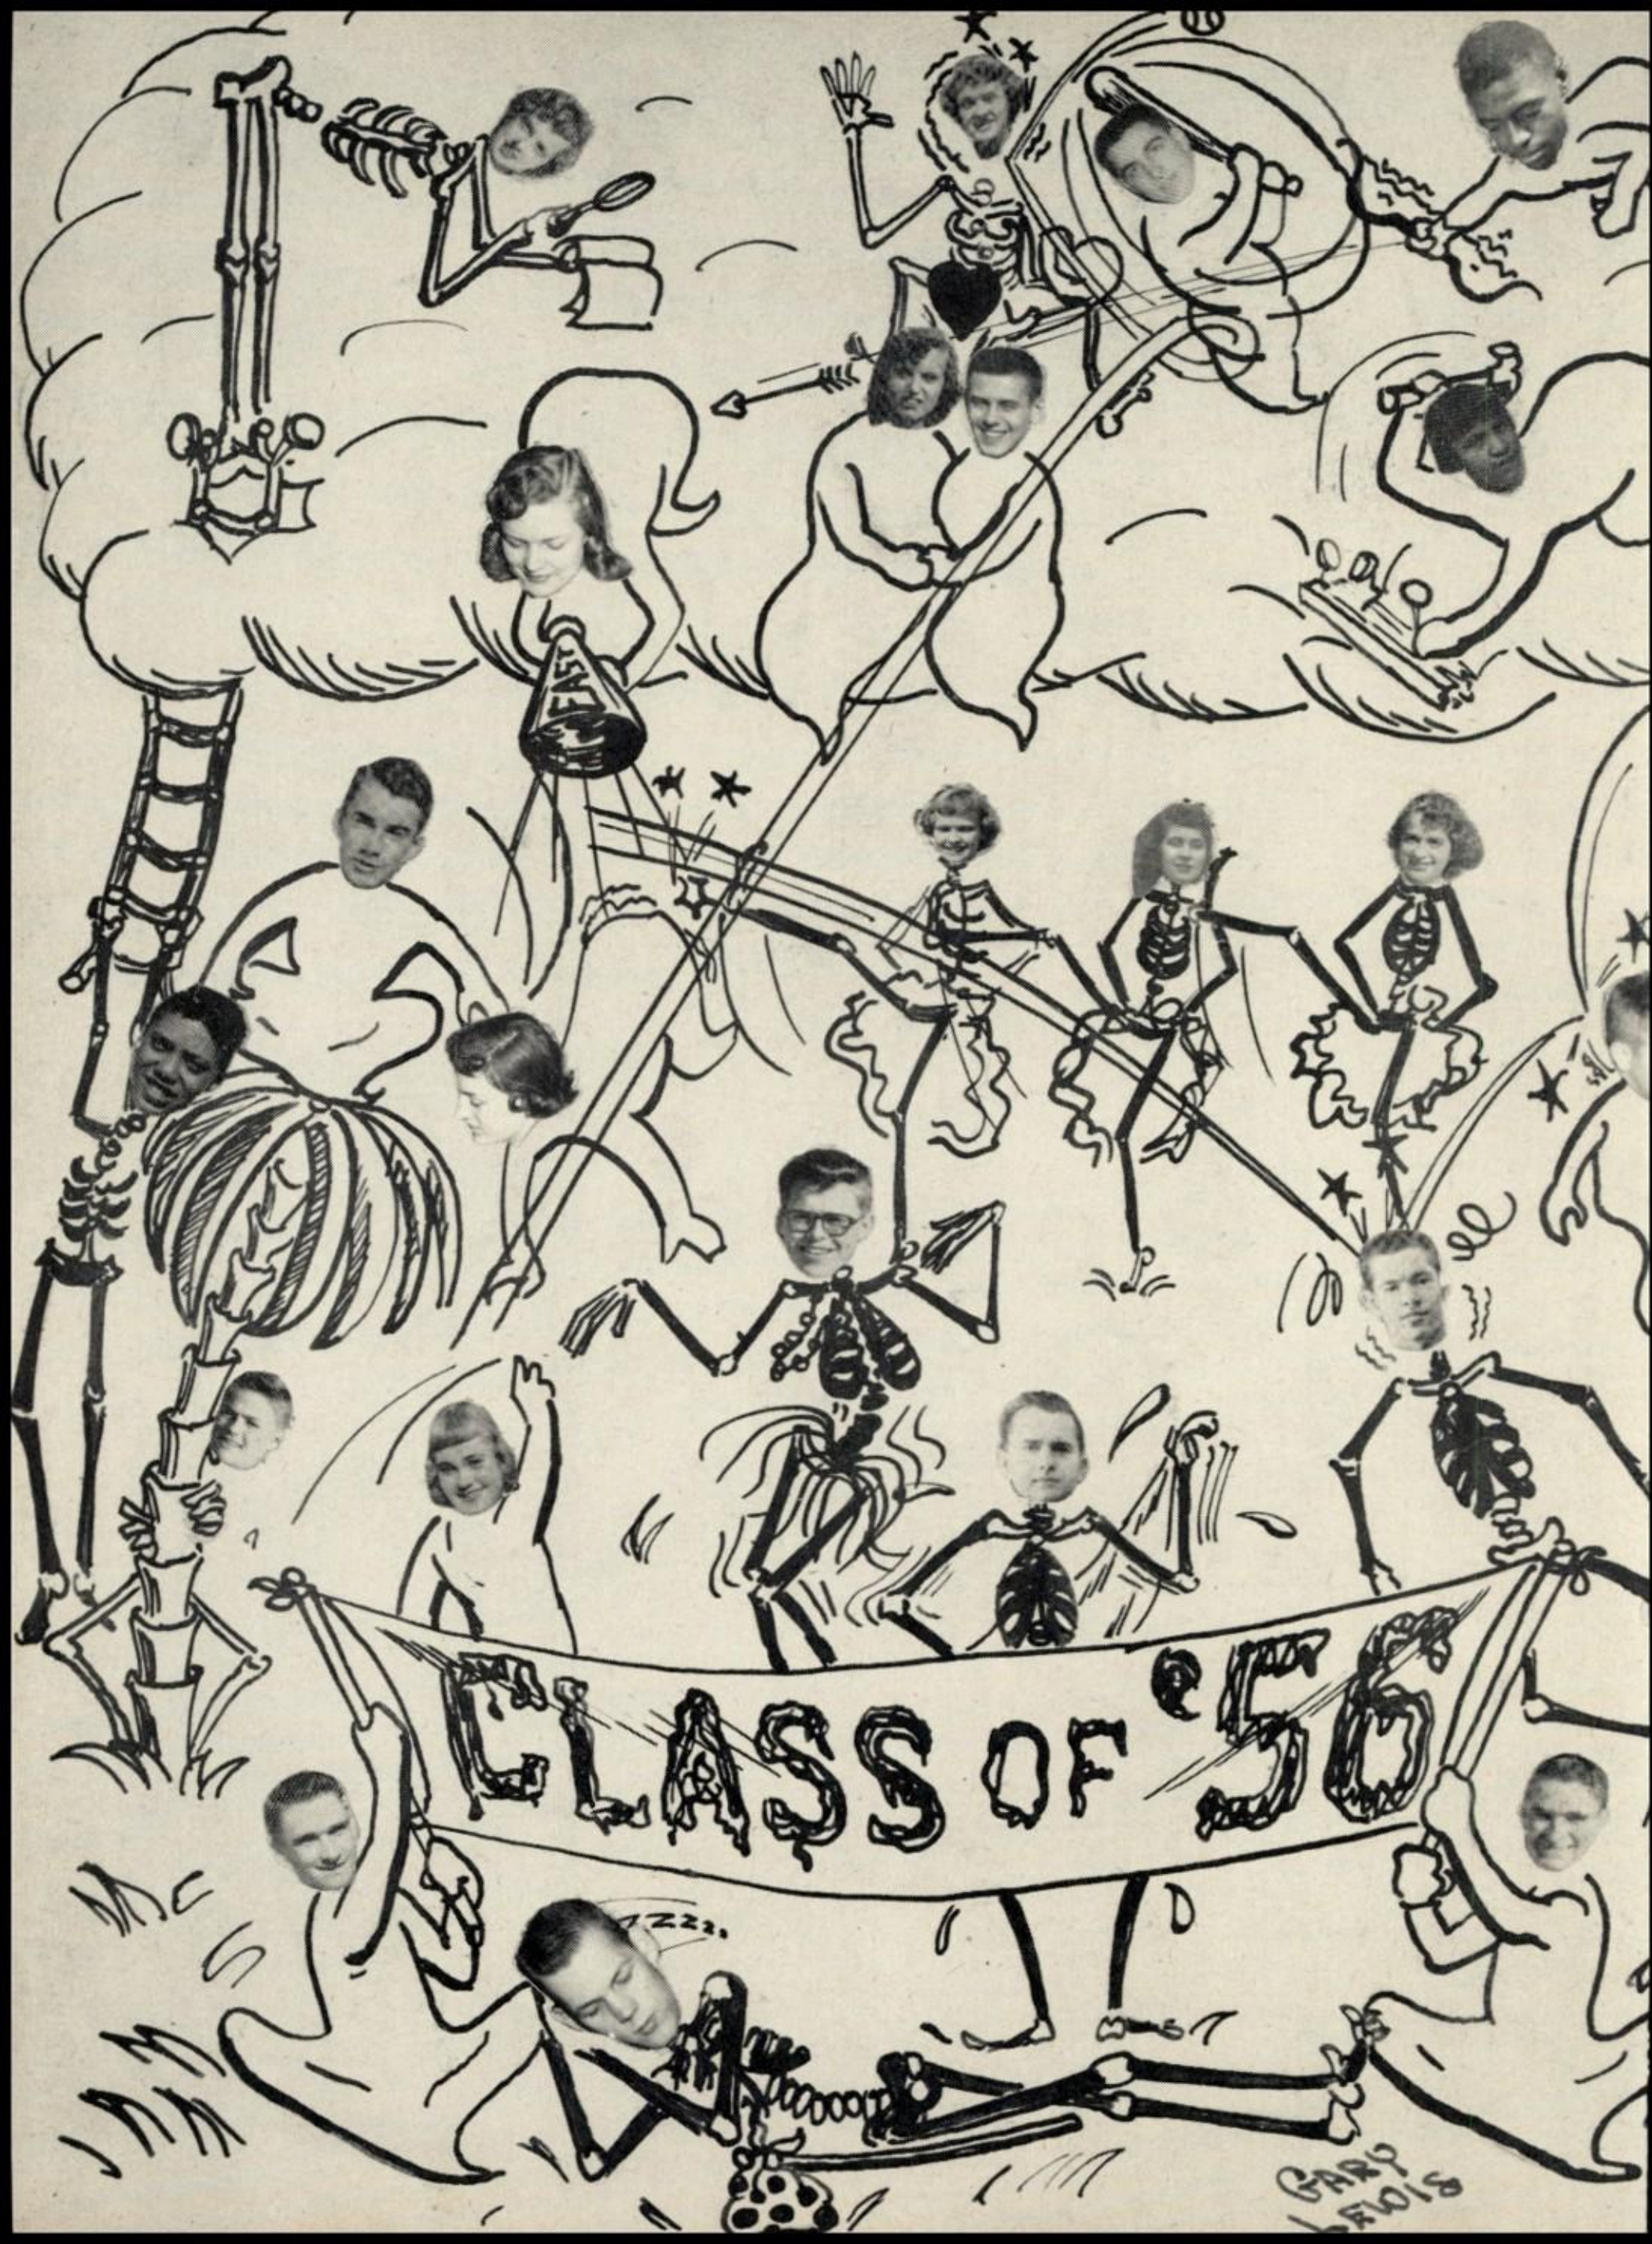

Seniors sitting at the first table is a lunchroom tradition

"MIKE"

Mike

Bows

Out

For 46 years, Mike Augustine has been in organized athletics in Iowa, usually figuring in as player or coach. He was at his best in track and football, both as a player and coach.

Although Mike never had much to say, he could handle any job when he was in the thick of it. He did them all well.

Past Record

Mike had nine outdoor championships in track. He headed up 26 track squads all told, and 22 of them finished no lower than third in state meet competition.

His teams won the state indoor meet four times. His triumphs in city competition were countless.

The Big Six circuit, of which East is a member, never has had a track champion other than East Des Moines.

In football, state championships are not recognized formally, but Mike had his share of undefeated teams. He built seven city champions and came up with a tie in another season.

He also coached many successful basketball teams, although none figured in the state championship proceedings to any great extent.

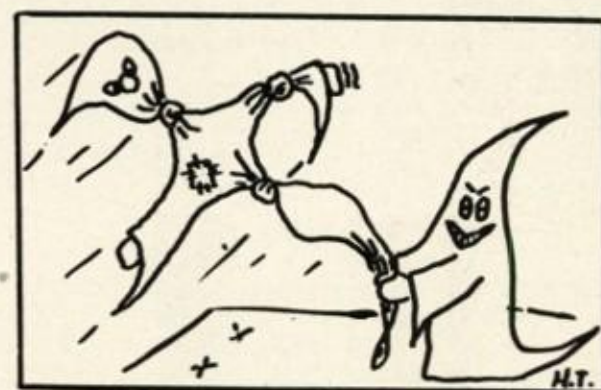

For all-around coaching success Mike Augustine probably never had a superior in the high schools of Iowa.

Mon. 4. The seniors now know how many are in their class. Tonight was class night, and all statistics for the year were given.

Tues. 5. Senior Assembly. We seniors are really beginning to realize our hi-school days are at an end.

Those smiles are all fake; they're going to school.

Wed. 6. I have a sneaking feeling that teachers are getting their grades together for grade cards.

Thurs. 7. The big night! GRADUATION!

FILTER QUEEN VACUUM

When you buy your vacuum cleaner don't buy one that cleans through its own dirt . . . as do all bag type cleaners, regardless of whether the bag be inside or out, of paper or otherwise . . . with a bag cleaner efficiency drops as dirt is accumulated. FILTER QUEEN, with its patented DIRT SEPARATOR is the one and only cleaner that does not lose cleaning power as dirt accumulates. FILTER QUEEN cleaning power never drops . . . FILTER QUEEN excels in sanitation . . . And is quieter. Bring this ad to our office, you save solicitation cost.
